Subject: Request of CPS, Mumbai for inclusion of CPS seats in the common counselling conducted by Directorate General of Health Services (DGHS) - regarding.

Sir,

I am directed to enclose a copy of letter No.CPS/Admin/7450/2021 dated 25.03.2021 of College of Physicians and Surgeons of Mumbai (CPS) requesting the Ministry for inclusion of CPS seats in the common counselling conducted by Directorate General of Health Services (DGHS), Government of India.

2. The proposal of CPS has been examined in the Ministry. It is observed that the matter was earlier examined during the previous academic session and it was decided that that the concerned State Government shall conduct counselling for admission to CPS courses.

3. Further, as some of the courses run by CPS are not recognised under the the Indian Medical Council Act, 1956, but are recognised under the State Act and also the counselling for admission to CPS courses starts after completion of counselling for MD/MS/Diploma course, it is suitable, if the concerned State Government/ UT conduct counselling for admission to CPS courses.

4. In view of the above position, it is requested that your State Government/ UT shall conduct its own counseling for filling the CPS seats offered by it, for admission to CPS courses.

Yours faithfully

(Chandan Kumar)

Under Secretary to the Government of India
